

ESPRESSO GIFT SUBSCRIPTION

Every month, for _ months, we'll send you a 500g bag of whole bean coffee roasted for espresso.

We treat the subscribers like a membership and each coffee will come with a letter full of information about the coffee, and how its journey has influenced its taste.

What coffee will we send?

It will be the coffee that we are most excited about at that time and will be roasted light-medium. It might be a new micro lot, a coffee we've bought just for subscribers, a preview of a new coffee or just something we're excited to share!

Monthly subscriptions will ship on the **Third Thursday** of every month.
